

Let's wobble!

Text: Lore Kleikamp / Übersetzung: Hans-Joachim Fuhrig

Musik: Detlev Jöcker

1. My head is made of rubber.
It wobbles up and down.
I am so very woobly.
Like a clown.

Refrain:

We are the wobbly children,
We wobble up and down.
This is the latest hit.
We are the wobbly children,
We wobble up and down.
Hey wobble and be fit.

2. My arms are made of rubber.
They wooble up and down.
I am so very woobly.
Like a clown.

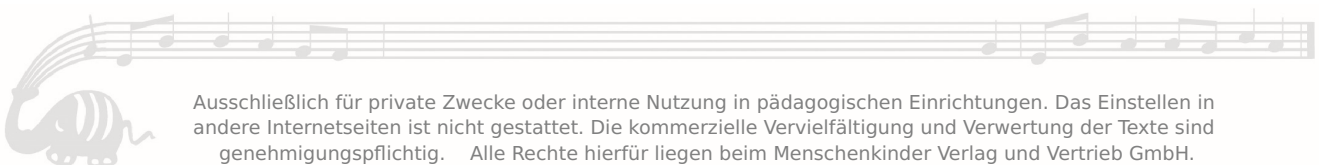

Refrain:

We are the wobbly children...

3. My hands are made of rubber.
They wooble up and down.
I am so very woobly.
Like a clown.

Refrain:

We are the wobbly children...

4. My legs are made of rubber.
They wobble up and down.
I am so very wobbly.
Like a clown.

Refrain:

We are the wobbly children...

5. My feet are made of rubber.
They wobble up and down.
I am so very wobbly.
Like a clown.

Refrain:

We are the wobbly children...
